

# British Science Week Poster Competition

The theme this year is **'Connections'**, so there are loads of topics that could be explored!

Some ideas for your posters:

- How our body parts are all connected and work together
- The connection between our actions and the impact on our environment
- How internet connection has changed the world

## Key rules:

- Entrants can be **teams or individuals**
- Each school/group can enter a **maximum of five entries – so we will choose the 5 best posters to submit.**
- Entries must be **one page of A4 or A3** paper only and you will need to take a photo or scan of it to send electronically.
- Work must be **original** and **created by the students**
- **Please include your full name, class and age at the back of the poster.**

## What the judges are looking for:

- **Creativity in approach** – Innovative angle on the content or creative interpretation of the theme
- **Content** – Clear, accurate and informative about a STEM topic
- **Effective communication** – presented and communicated in an engaging way

## What are the prizes?!

This year's competition prizes which include:

- 3D information book
- Buildable playsets
- Digital adventure picture book
- Experiment book set
- Family ticket to the Brooklands Museum
- Space-themed prizes
- Stickerbook or wallbook

**Deadline: Friday 24 March 2023**
