How much (if any) do you intend to carry over from this total fund into 2024/5?	£0
Total amount allocated for 2023/4	£23,282
Total amount of funding for 2023/4. To be reported on by 31st July 2024	£23,282

Cranbrook's PE Intent

Cranbrook drives an inclusive, high-quality PE curriculum which delivers improvements in our children's physical, mental and social well-being. We aim to enrich our children's physical literacy through our curriculum and encourage participation in sport for life.

Our curriculum instils values of competitiveness, fairness and sportsmanship. We enable our children to build resilience, widen their horizons and develop a growth mind set by providing them with new experiences.

By engaging children in extra-curricular sports clubs we want our children to become integrated into the Cranbrook community, building a sense of identity whilst leading healthy, active lives. In turn, our children will become confident communicators with their peers and members of staff.

Cranbrook recognises sport and Physical Education as a key aspect of British life and culture. Through increased access and participation in sport, we make our children aware of the ambition, determination and commitment required to succeed in sport and how these values can be applied in their daily lives.

Key Headlines for 2023-24:

Integrate and support Super Star sports coaches to deliver high-quality PE lessons during PPA.

Provide CPD for staff in Gymnastics and Games

Ensure Gymnastics is taught consistently across the school

Increased participation in competitive sport – especially girls from different backgrounds

Increased recognition and participation for disability sport
