

# Year 6 Spring 2024 Theme: Our Planet, Our Home

## Visitors/Trips

- Amazon Careers Talk
- Junior Roadwatch
- Visitor from the Sikh Community

## Stunning Start

Children will be exploring how to establish their own settlement in an unfamiliar biome. They will be using a range of resources to research the key features of their chosen biome.

## Suggested Home Learning

Young V&A  
Redbridge Museum  
National History Museum  
The Science Museum  
<https://education.nationalgeographic.org/resource/resource-library-biomes/>  
<https://classroom.thenational.academy/units/biomes-bd47>

## Marvellous Middle

We will be exploring geographical diversity and how human behaviours are influenced by their environment, as well as the human impact on the physical landscape of different biomes.

Children will get to experience a 360° view of the world's most exciting biomes.

## Fantastic Finish

We will create a time capsule where children will include a message about the 21<sup>st</sup> century for children in the future.

## Vocabulary

biome  
equator  
climate zone  
infrastructure  
environment  
ecosystem  
atmosphere  
time period  
era  
chronology  
continuity  
change  
century  
decade
