Marvellous Middle

Our Marvellous Middle will take place at London Docklands Museum, where children will get to explore the history of the docks and the River Thames in relation to the slave trade. Children will learn about London Docklands as the first port in the British Empire, experience life in Sailor Town in the 1800s and learn about the lives of black people in the UK through history.

Fantastic Finish

Children will celebrate the end of the topic by sharing all of their fantastic learning with others, choosing the medium of their choice. They may want to create a presentation, a filmed documentary or a fact file to convey all that they have learnt.
