Explore the Queen Elizabeth Olympic park in Stratford. Stand between the snaking pathway of the fountains.

Take a trip to an English seaside and stroll on the promenade or walk the pier.

Trips and Visitors

- St Andrew's Church Trip (Christmas celebrations)
- RNLI (Royal National Lifeboat Institution) – Water Safety
- Christian Education Project
- Cats Protection (Living Things in Science)

Stunning Start

The journey will begin with our Stunning Start day, where you will purchase a ticket and climb aboard the Titanic. We will reveal whether you will be dining in first, second or third class, before discussing differences and preferences. We will look at artefacts, timeline of events and create artistic representations of encounters during vast adventures.

Marvellous Middle

Our Marvellous Middle will include looking at human and physical features of the coast. We will consider the cost of past adventures and how embarking on journeys can impact society. One of our main focuses will be safety at sea and we will be having a visitor from the RNLI to assist with this.

Fantastic Finish

Children will end the term by dressing up as pirates and explorers. They will work collaboratively to solve clues to find the hidden treasure.
