Thought of the week

"Treat everyone with politeness and kindness, not because they are nice, but because you are."

Message from the Headteacher:

Dear Parents/Carers,

I have lots exciting developments to share with you today. The first will hopefully come as a relief and reassurance to many of you. After a year and a half of hard work behind the scenes, we have reached an agreement with the council to have the shared car park managed by a car park management company. This will hopefully mean we will see a reduction in the negative behaviours and unsafe/dangerous use of the car park that we have seen until now.

The changes will come into effect over the summer break so please be aware upon your return in the autumn term and make yourselves familiar with the changes.

I am also excited to let you know that our amazing IT department has been working really hard to develop a new website for the school that will hopefully make our communications clearer and helpful. The new website will be launched next Wednesday and we hope you enjoy navigating around the site and enjoying its content. We would love to have your feedback on the new website and any suggestions you might have. Please send them to our admin mailbox on admin.cranbrookprimary@redbridge.gov.uk.

Please also check the next page to find out our arrangements for the End of Year reports which I know you are all excited to receive.

We are looking forward to exciting and fruitful end of term that celebrates the hard work and efforts of our children and the Cranbrook Community.

Online Safety:

For Parents - WhatsApp Safety Guide

Given that WhatsApp is one of the most popular messaging apps in the world it's no surprise I find children from Year 3 upwards using it with very little understanding of what safety features are available. Internet Matters has a great guide for parents about privacy settings, where to get support and more.

Rocket Padel

We are excited to welcome our neighbours who invited some of our children over earlier this week to a Pro/Amateur event, which they really enjoyed!

Please see a message from them to you all:

Rocket Padel Tennis. It is the world's fastest growing sport and we are delighted to have opened our state of the art centre on your doorstep! An amazing sport for players of all ages and abilities we offer fun, social and engaging after school coaching for children of all age groups for £8 per session. Bookings can be made via our page on the Playtomic app. For more information visit our website or email Iford@rocketpadel.com.

Request for donations for games to support learning

Please could you donate any old board games, Connect 4 or puzzles-FAO Maths Team. **Thanks for your ongoing support.**

Litter at Cranbrook

Since January, the Gardening Club has worked extremely hard to improve the Sensory Garden. We have had a lot of fun along the way too! Unfortunately, we noticed that the amount of litter left in the playground was affecting the aesthetics of our surroundings so we decided to clean up. Over 2 sessions, we collected 3 bin bags full of litter. As young people who care about the environment, we request to parents and pupils to dispose of rubbish in the bins provided. Thank you!

Lost Property

Dear Parents/Carers, please reclaim any lost property from the lost property tubs located in the school playground by the end of term.

Any items remaining in the lost property tubs at the end of term will be donated to charity.

Thank you.

Rights Respecting:

Article 19: Children have the right to be protected from Violence. At Cranbrook we uphold this right by ensuring all children have an awareness of our school safety team and of the importance of telling others if you are made to feel unsafe at any time. We are a listening school; we are a telling school; we have trusted adults in our school.

It is important that all parents, adults and children know the rights of a child. They should be followed always. They protect children from danger. By learning and following the rights of a child, we ensure we protect children and give them freedoms to express themselves.

Well done everyone!

Reminder for Gate opening timings in the morning:

Dear Parents,

This is a quick reminder that in the mornings, the gates open at 8:45 am and close promptly at 9:00 am. This ensures we can maximise learning time without disruptions. All arrivals after 9:00 am will need to enter through the main school office. We kindly ask that you treat our staff at the gates with respect and courtesy.

EPT-Upcoming Free SEND Webinars in July 2024

Please see the leaflet attached for more information on EPT Webinars.

Unpredictable Weather

Dear Parents/carers, please send your child to school with a raincoat, even if it is sunny or dry in the morning as the weather is so unpredictable at the moment.

Eating Well

Embrace all food groups

Getting into the habit of eating a variety of food groups will boost your nutrition. The UK Government's Eat well Guide shows how much of what we eat overall should come from each food group to achieve a healthy, balanced diet.

Your brain needs different amounts of complex carbohydrates, essential fatty acids, amino acids, vitamins, minerals, and water to remain healthy, so introduce each group to your meals

Protein is known for boosting your mood – experiment with different sources like fish, meat, beans, pulses, eggs, nuts, and seeds

Meals don't have to be boring - find a food buddy or join an online community to share recipes and cooking tips

Who Inspires YOU!

We would love you, our parents & carers, to share recommendations of individuals who inspire you or your children, especially from your own culture.

Your diverse insights will contribute to a variety of inspirations within our school community.

Please send them to:

Celebrating Cultural Connections- Celebrating diversity across our school:

Saul Nash

Saul Nash creates contemporary technical garments that are designed for the liberation of movement. Grounded in the ethos of community, he works with a cast of dancers who invigorate an essence of family whilst delving deeper into exploring the relationship between performance and technical menswear. An understanding of the complexities and subtleties of masculinity are informed by Nash's background as a self-taught dancer and choreographer growing up in London.

Coming from the unconventional route of performance having practiced for many years as a dancer after graduating from a BA in Performance Design at Central Saint Martins, Saul Nash received a scholarship to the eminent MA in Menswear at the Royal College of Art in 2018. Inspired by the kinetic body and the subversion of sportswear via the memories of the different people he grew up around in London, Nash's practice extends to worn garments and their ability to liberate an individual's identity.
